# Monthly rate book

for Individual and Family Plans (IFP)

Effective January 2026

**Full version:** includes all 19 rating regions

This booklet has monthly rate information for Blue Shield of California medical, dental, vision,\* and individual term life insurance\* coverage for all regions. You can purchase some plans either directly from Blue Shield or from Covered California, California’s health plan marketplace, while some plans are only available directly through Blue Shield or Covered California. The information below will provide a guide.

**Medical plans**

Choose the medical plan that is best for you from our IFP Trio HMO network or from our Exclusive PPO Network.

**Our IFP Trio HMO network**

An accountable care organization (ACO) is a network of doctors and hospitals that work directly with health plan providers, such as Blue Shield, to share the responsibility for providing coordinated care to patients. Within the IFP Trio HMO network, you will have a primary care physician (PCP) that coordinates your care, communicates with necessary specialists, and provides referrals so you can get care. Your chosen PCP must participate in the IFP Trio HMO network.

Your PCP will refer you to specialists that are part of the same medical group of professionals. If you need a specialist who is not in your PCP’s medical group, you may be referred out of network and still receive covered benefits.

Blue Shield’s Trio HMO is available in 28 counties throughout California and can be purchased directly through Blue Shield or Covered California. The IFP Trio HMO network offers the same types of doctors and levels of care as traditional HMO plans. To enroll in a Trio HMO plan, you and your dependents must live or work in the Trio HMO plan service area.

**Our Exclusive PPO Network**

Blue Shield offers a variety of PPO health plans that give you access to more than 69,000 doctors, 325 hospitals, and 1,000 urgent care centers in our Exclusive PPO Network. So make sure any physician you visit is in the Exclusive PPO Network to minimize out-of-pocket costs. While Blue Shield’s PPO plans provide limited coverage for some services you receive from providers outside of the plan’s Exclusive PPO Network, you will get the most value from your PPO health plan when you use Exclusive PPO Network providers.

Please note: The Minimum Coverage PPO plan is available only to persons under age 30, or those age 30 and above who can provide a certification that they are without affordable coverage or are experiencing financial hardship. Pediatric dental and vision benefits are embedded into all medical plans. Once a person turns age 19, they are no longer eligible for pediatric dental and pediatric vision benefits. To obtain dental and vision benefits, they must apply for a separate dental plan and vision plan.

## Dental, vision, and life insurance plans

Add a Blue Shield dental plan, vision plan, and/or life insurance plan in addition to your health coverage.

Having your medical, dental, and vision coverages from the same health insurer gives you access to a seamless online member account that helps you conveniently manage all your health information in one place.

Maintaining good oral and vision health through regular preventive care can also help you manage your overall health. That's because many high risk conditions, such as diabetes or hypertension, can be seen through an eye or oral exam first.

Have the freedom of choice in finding care with in-network providers through one of the largest dental HMO and PPO networks in California.

The largest network in California, with a mix of ophthalmologists, optometrists, and retail vision providers, allows you to access vision care where and when you need it.

Protect your loved ones with coverage from a company rated "A (Excellent)" by A.M. Best.

## Find your rate

### 1. Determine plan availability

Some plans are only available in specific areas. Medical and dental PPO plans are available in all counties. Medical and dental HMO plan availability varies per region and/or zip code. Please refer to region ratings by county on page 5 for a helpful chart.

### 2. Specify your plan

Find the plan you selected for you and/or your family in the plan's rate chart.

For plans sold through Blue Shield only, you can enroll in a dental plan, vision plan,\* dental + vision package,\* or apply for individual term life insurance coverage\* with or without the purchase of a Blue Shield medical plan. If you wish to apply for individual term life insurance coverage, you must submit a separate application.

You can only enroll in a family dental plan sold through Covered California if you are also enrolled in a medical plan sold through Covered California. For additional enrollment guidelines, please refer to the Basics of family dental plans section on page 8.

### 3. Locate your rate depending on your age

Locate your age to determine your rate. For family coverage, the rate is a sum of each family member's individual rate. However, a maximum of the three oldest children will be included in the total family rate.

For plans sold through Blue Shield only, you can enroll in a dental plan,† vision plan, or dental + vision package along with a medical plan. Add the rate for those products to your medical rate to determine your total rate.

For plans sold through Covered California, dental and vision plans cannot be bundled with your medical plan for combined billing. Enrollment and billing will be handled separately from your medical plan.

#### Maximum age for three-child rule

Medical plans and dental plans sold through Covered California only: Under age 21

Dental and vision plans sold through Blue Shield only: Under age 26

**Dental, vision, dental + vision, and individual term life insurance plan rates can be found on pages 7–9.**

**Medical coverage rates can be found on pages 10–65.**

† Please note that the Family Dental HMO, Dental HMO, and Dental Standard HMO plans' availability and/or rate per member differ based on region and county. These plans are not available for enrollment in certain counties. Please refer to page 5 for plan specifics.

#### Basics of family dental plans

- Covered California's family dental plans make benefits available to both adults and children. Enrollment in these plans is optional, and there is no tax penalty if you do not enroll in an optional family dental plan.
- Families that wish to purchase a family dental plan must be enrolled in a health insurance (medical) plan purchased through Covered California.
- There must be at least one adult (age 19 or older) enrolled in a family dental plan in order for a child in the family to enroll.
  - All adults in the household are not required to enroll.
  - If a family chooses to enroll children (younger than 19) in a family dental plan, all children younger than 19 who live in the household must enroll in the same family dental plan.

† Life insurance may be purchased with or without AD&D.

‡ AD&D may only be purchased if a life insurance policy is purchased. Rates in table reflect additional increase to monthly premium. For example, a 40-year-old woman who does not use nicotine would pay a monthly premium of \$22.87 for \$50,000 coverage of life insurance (\$17.87) and AD&D (\$5.00).
