Preventive health - contraceptives

$0 copayment contraceptive drugs and devices list

Members have coverage for select contraceptive drugs and devices at no out-of-pocket cost, through their health plan and may be obtained without prior authorization.

The following list of prescription contraceptive drugs and over-the-counter products are available at no out-of-pocket cost. Members with pharmacy benefits with Blue Shield of California must provide their member ID card at a participating pharmacy. The pharmacy should process the contraceptive drug or device through the pharmacy claims system for no out-of-pocket costs.

Please call the Customer Service phone number listed on your Blue Shield member ID card for any questions about contraceptive coverage.
